Pharmacy Review Programs

SolRx offers a variety of programs to help students and professionals enter or advance careers in the Canadian pharmacy and healthcare industry. Our comprehensive course offerings and in-depth expertise help students not only achieve their sought-after qualifications, but also help them become intuitive, life-long learners and an integral part of the Canadian pharmacy profession. SolRx Inc. Pharmacy Review Programs has been a leader in assisting both Canadian and Internationally trained pharmacists and pharmacy technicians to attain licensure in Canada. Boasting a highly qualified faculty, SolRx fosters a highly conceptual and preparatory environment, providing each student the skills to pass their licensing exams on their first attempt.

POST REGISTRATION PROCEDURE

You will receive a SolRx Orientation video and several OSCE books (Soft copies).

You will be added to a WhatsApp group where you can discuss and ask questions at anytime with timely responses, you will also join a WhatsApp group for your specific batch so you can collaborate with your peers.

Pre-class material, including topics and references, will be sent one week before each class.

All references must be printed, this will help you be familiar with hard copy references (like PEBC provided references) as well as your own practice post-class.

Class recordings are sent within 48 hours post class along with class cases and their outcomes. For Onsite classes, one of the online class recordings will be sent after class to ensure all students have access to recordings.

REFUND POLICY

After registration or 1 week before course: 25% of fees deduction i.e., 75% of fees refund.

After class 4: 50% of fees deduction- ie-50% of fees refund.

After class 7: Refund of 350\$.

Postponing course at any time: 50% extra fees.

100% Refund fees for pre-registration deposit: Those who are waiting for MCQ results.
